Yes!, now you are able to make your comments on every news and articles. Just put your opinion in front of thousands of people, share your thinking, your ideas, your knowledge about the SEO world, or simply ask for advice if you are new to this arena.

You are also welcome to put your links to relevant SEO content and websites (2 links per comment are allowed).

Why do we enable this 'comments' feature? - Because we believe knowledge will only come true, when we exchange our own knowledge each other. Our opinions can be a resource for many new arriving to the SEO world. With this, we want to believe that Godmarketing.com is contributing for a democratic web world.
